

Join a dynamic team in serving the orthopedic needs of the Southeastern Wisconsin area. We have an immediate opening for a Pool PACU RN for our first, second and third shifts. Ideal candidates will display compassion for our patients, deliver quality care and be passionate about their work!

Job Description:

- Works in conjunction with Doctor/Surgeon to perform the duties required for pre-operative and PACU post-operative care of our orthopedic patients.
- Performs a variety of duties in the PACU environment during the evaluation, treatment planning, management and discharge of patients in the Ambulatory Surgical setting.
- Assesses patient status and identify each individuals needs relative to his or her situation

Qualifications Required:

- Graduate of an accredited Nursing Program.
- Current State Licensure/Certification.
- Minimum two year's experience in ER, ICU or PACU required.
- ACLS required or obtained within one year of hire.
- ASC experience a plus but not required.
- Orthopedic experience preferred.
- Must have excellent communication, interpersonal and IV skills.
- Teamwork and flexibility are absolutely necessary to meet the needs of our patients and team members.
- Ability to multitask and be a self-starter in a fast paced environment
- Possess skills necessary to admit pre-operative day surgical patients, manage immediate PACU patients and provide discharge teaching.
